OUR GOAL

Ensure that complete, accurate and timely traffic safety data are collected, analyzed and made available for decision-making at the national, state and local levels to reduce crashes, deaths and injuries on our nation's highways.

United States Department of Transportation Traffic Records Coordinating Committee

MISSION STATEMENT

Provide strong coordinated Federal leadership to maximize the efficiency and effectiveness of traffic safety data collection and analysis and the resources needed to support it.

The TRCC will support data improvements at all levels of government that minimizes duplication, improves uniformity, advances electronic data collection, and facilitates data access and use.
